College Calendar Data Elements

DED#	DATA ELEMENT NAME	FORMAT
CC07	**COLLEGE-CALENDAR-DAY-HOLIDAY-STATUS**	**X(01)**
This element indicates whether this day is a holiday.		

Coding	Meaning
H	This day is a state mandated holiday.
L	This day is a local college/district holiday.
N	This day is not a holiday.

This element pertains to both state and local holidays observed by the college.
Local holidays coded with "L" may still have secondary instruction scheduled on those days. Such days should be coded "L" for this element and "S" for CC04.
This element must be coded as "H" and element CC04 must be coded as "N" (not an instruction day) for state designated holidays (specified by Education Code Section 79020).
There must be 10 mandated State holidays during the year.
