Student Financial Aid Data Elements

DED#	DATA ELEMENT NAME	FORMAT
SF01	**STUDENT-AID-APPLICANT-STATUS**	**X**
This element indicates whether a financial aid applicant received financial aid or not and the reason if they did not. This element should be reported for all financial aid applicants.		

Coding	Meaning
1	Received financial aid
DID NOT RECEIVE FINANCIAL AID BECAUSE:	
2	Never enrolled/attended
3	Did not complete File
4	Determined Ineligible with no need
5	Eligible with complete file after enrollment but no funds available
6	Disqualified due to lack of satisfactory academic progress
7	Other
X	Unknown/Uncollected
Use code "1" if the student received any student financial assistance. If the student has campus student employment (non-need based) only, do not include as a financial aid recipient for the purposes of this element.	

SF01   STUDENT-AID-APPLICANT-STATUS

Processing Notes and Edits	
FIELD CHECK	1-7, X
REFERENTIAL CHECK	Any Applicant record with indicating the financial aid was received (SF01 = '1') must have at least one Award record.
