Student Financial Aid Data Elements

DED#	DATA ELEMENT NAME	FORMAT
SF17	STUDENT-AID-EXPECTED-FAMILY-CONTRIBUTION	9(06)
This element indicates the final expected family contribution (EFC) computed for financial aid eligibility purposes for the award year.		

Coding
Round to the nearest dollar.
Enter 99999 if the expected family contribution (EFC) is unknown.
Note: The EFC reported for each student must be the final EFC in the financial aid records. If the Student received a Pell Grant, the EFC reported must be the actual EFC used to determine the Pell Payment.
