Student Financial Aid Data Record**

DOMAIN	RECORD	LENGTH
SF	STUDENT FINANCIAL AID DATA RECORD	80
Reporting Domain		
<p>The following record layout indicates the format in which the districts report information on students who are applicants for financial aid. Report a record for each student who applies for financial aid and meets the Student Basic (SB) data reporting domain requirements in at least one term during the academic year. If the student received financial aid, then a SB record must have been reported for every term the financial aid was received.</p>		
<p>The file with these records is submitted annually each October for the previous year. This record is 80 characters long and the first two positions contain the record code "SF".</p>
