Student Program Award Data Elements

DED#	DATA ELEMENT NAME	FORMAT
SP04	**STUDENT-PROGRAM-CONTROL-NUMBER**	**X(05)**

This element uniquely identifies the program the student completed. This code is assigned by the Chancellor's Office and provided to the institution offering the program.

Coding
Report the Chancellor's Office unique 5-digit code for the certificate or degree awarded to the student.
Enter "YYYYY" for noncredit awards that are not CDCP programs.
Enter "99999" for credit awards that do not have a Chancellor's Office assigned program code.
Enter "AAAAA" for "catalog rights" awards that are conferred in programs that do not have a unique 5-digit code because they are no longer offered by the college, but which were previously offered as approved programs. (If the discontinued but previously approved program has a reasonably related successor program, "catalog rights" awards may be reported under the unique 5-digit code for the successor program. If there is no reasonably related successor program, enter "AAAAA.")   All awards submitted with an SP04 = AAAAA shall be reviewed by the Chancellor's Office for validity.
