7. Title 5 § 55524. Student Educational Plan.

(a) Each community college district shall establish a process that takes into consideration the student services and instructional resources available for assisting students to select an specific educational goal and course of study within a reasonable time after admission as required by Section 55530 (d). This shall include, but not be limited to, the provision of counseling as required by Section 55523(a)(2).

(b) Districts shall provide students with an opportunity to develop student education plans that are either:

(1) Abbreviated. Abbreviated student education plans are one to two terms in length designed to meet the immediate needs of students for whom a comprehensive plan is not appropriate;

or

(2) Comprehensive. Comprehensive student education plans take into account a student's interests, skills, career and education goals, major, potential transfer institutions, and the steps the student needs to take on their educational path to complete their identified course of study. The comprehensive plan helps the student achieve their course of study. The comprehensive plan includes, but is not limited to, addressing the education goal and course of study requirements, such as the requirements for the major, transfer, certificate, program, applicable course prerequisites or co-requisites, the need for basic skills, assessment for placement results, and the need for referral to other support and instructional services as appropriate. The comprehensive student education plan is tailored to meet the individual needs and interests of the student and may include other elements to satisfy participation requirements for programs such as EOPS, DSPS, CalWORKs, veterans education benefits, athletics, and others.

(cb) Once a continuing nonexempt student has selected an specific educational goal and course of study, the district shall make a reasonable effort to afford the student the opportunity to develop a comprehensive student educational plan describing the
