DED#	DATA ELEMENT NAME	FORMAT
<b>XBD3</b>	<b>SECTION-DAY-EVENING-CLASS-CODE</b>	<b>X</b>
This element indicates whether this course section is a day class, evening class, or the class time is unknown.		
Sections are classified as Day, Evening, or Unknown in the following order of precedence: (1) Day Classes (2) Evening Classes (3) Unknown Classes. This order for classifying a section as day, evening, or unknown is required because sections can have multiple session records associated with them, and a section can have one session scheduled in the day and another scheduled in the evening.
